

SAM4S

Thermal Type Electronic Cash Register

ER-390/390M

Quick, Quiet, and Economical
Thermal Cash Register

Speedy... Smart... Safe... Service...

The ER-390/390M is SAM4S's best value and ideal solution for any hospitality environment, such as restaurants or food service businesses. Its built-in memory could store transaction information for later reviewing and making up an electronic journal afterwards. This has a standard high-speed thermal printer which offers receipts that is equivalent to the quality of expensive POS equipment. Flexible keyboard system could be programmed and used with the desired functions you need, offering security, cash control and significant sales information.
