

# Nexa LS-6320E

## No Moving Parts Laser Barcode Scanner

### Overview

The LS-6320E provides a combination of features that none of its competitors can match.

Firstly, it covers all standard features of other premium scanners, such as quick scan speed with long range, hands free scanning in the stand, and automatically changing to trigger mode when picked up. In short, it will scan quickly, easily and intuitively.

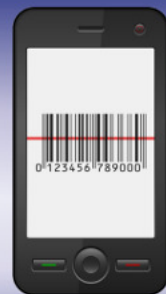

Secondly, in addition to the basics, the LS-6320E has a Laser scan mechanism, but without the usual moving parts that can misalign, break or wear out. It also has the ability to scan from an LCD screen, enabling phone based coupons and loyalty systems, and it can even handle liquid spills and keep on scanning!
